William Wirtz

PRESIDENT

When the Wirtz family purchased the Chicago Blackhawks in 1954, it acquired a team rooted in last place. William Wirtz, a 1950 graduate of Brown University, took his place along with father Arthur M. Wirtz and brother Michael in the reshaping and redevelopment of a once proud franchise. He became President of the club in 1966. Auspiciously, in his first year as President, the Chicago Blackhawks finished tops in their division for the first time in team history. Since that 1966-67 season, the team has recorded 911-755-296 for a .540 winning percentage, 13 divisional titles, and a string of 22 consecutive playoff appearances. In only one of the years since 1967 did the team not qualify for playoff competition.

The man whom Inside Hockey calls the most respected Governor in the National Hockey League, William Wirtz has been reelected nine times to two year terms as Chairman of the NHL's Board of Governors. He was highly influential in the merger of the WHL with the NHL in the late 1970's. Under his direction, the NHL currently attends to proposed expansion, negotiates with the NHL Players Association and handles the entry of European players into the League, actions which have long-range ramifications. With all decisions under an international microscope, he guides the League as he does his club with a gentle touch or a firm hand.

On the Board of Governors, Wirtz sits on the broadcast, finance, and audit committees; he is co-chairman of the expansion, player relations, and compensation committees. More importantly, he co-chairs the powerful advisory committee. NHL President John Ziegler states, "No other owner has been as significant in the development of this league." Known as a man of his word, William Wirtz has been called "the best chairman we have ever had" by Norman Green, owner of the Minnesota North Stars.

His achievements have been recognized: induction into the Hockey Hall of Fame in 1976, the reception of the Lester Patrick in 1978 for outstanding service to United States Hockey, induction into the United States Hockey Hall of Fame in 1985, and the respect of his peers as a "natural leader."

Wirtz has served on both the 1980 and 1984 Winter Olympic Committees. He hosts the Illinois Amateur High School Hockey State Championship Games at Chicago Stadium in order to increase exposure for amateur hockey.

Presently Wirtz is deeply involved in plans for a new stadium, along with partner Jerry Reinsdorf of the Chicago Bulls, to replace the "Grey Lady on Madison Street" which was built in 1929 and became family property in 1936.

Outside hockey Wirtz, 61, maintains several enterprises with the authority and responsibility shared by other family members. "We are an extremely close family, " he says. "It has always been my family first, bussiness second. It cannot be any other way."

In addition, William Wirtz has always taken time and been concerned for other not so fortunate, especially under-priveleged children. Most notably, William Wirtz has been a leader in the support of Maryville Academy, the largest residential child-care facility in Illinois. His late wife, Joan Roney Wirtz, founded the Women of Maryville in 1979 to establish a scholarship fund to benefit Maryville Youth.

William Wirtz and his wife Alice reside in the Northern Surburbs.

Michael Wirtz

EXECUTIVE VICE PRESIDENT

The title of Vice President has been carried easily on the broad shoulders of Michael Wirtz since 1958. As a graduate of the Wharton School of Commerce of the University of Pennslyvania, Michael has been a valuable asset to the Chicago Blackhawks with his knowledge of business and his love of hockey. In his role as Vice-President, he works closely with Vice President Tommy Ivan and his brother William in handling all hockey problems, especially the business aspects that arise on a daily basis concerning the Chicago Stadium.

Mike has also shown his dedication to the sport in helping coach youngsters playing at the Glenview Ice Arena.

Mike, his wife Sunny, and their three children, Laura, Arthur III, and Jimmy, reside in the northern surburbs. A visitor there can see the third love of Michael's life besides family and business: gardening. If you want to get Mike talking, ask him about his roses.

Thomas Ivan

VICE-PRESIDENT

One of the most respected and knowledgeable people in the world of hockey, Tommy Ivan has served for over 50 years in nearly every capacity the game has to offer. In his book, Hockey's 100, Stan Fischler lists him among the Ten Best Coaches and Ten Best General Managers in the history of the NHL.

Tommy Ivan began his hockey career with the Detroit organization. From his early days in junior hockey in Ontario, through his first pro coaching job with Omaha in the Central League where one of his young prospects was a lad named Gordie Howe.

Tommy entered the Chicago Blackhawks organization in 1954 after having won six straight league championships and three Stanley Cups as coach of the Detroit Red Wings. With the Blackhawks in trouble, Tommy accepted the challenge to rebuild the franchise into solid and stable competitor. His rebuilding of the Hawk farm system, drafting of players, and strengthening of team spirit led to a Stanley Cup Championship in 1961, and a club that reached the Finals in 1962, '65, '71, '73.

In 1974 Thomas N. Ivan was inducted into the Hockey Hall of Fame. The following year, 1975, he received the Lester Patrick Trophy for "outstanding service to hockey in the United States." He has since been named Chairman of the United States Hockey Hall of Fame and is also on the selection committee of the Hockey Hall of Fame.

As Chairman of the organizing committee for the 1978-79 Olympic Hockey Festival, Tommy and his committee were instrumental in bringing more than 90 players together for Coach Herb Brooks and his staff. That "miracle" team went on to win the Gold Medal at the 1980 Winter Olympics in Lake Placid, New York.

After serving as Blackhawk general Manager for 25 years ("One of the best in the business," says Phil Esposito), Tommy became Vice-President and Alternate Governor and has served in those capacities for the last 13 years.

Another sign of the respect and admiration the NHL has for Tommy Ivan appeared in the Program for the 1991 All Star Game held in Chicago. The publication was dedicated to the memory of Dorothy Ivan, whose "love and courage was an integral part of his achievement."

Robert J. Pulford

SENIOR VICE-PRESIDENT

Simply speaking, Bob Pulford has excelled at every aspect the game of hockey has to offer. As a player with the Toronto Maple Leafs, Pulford won a Stanley Cup Championship during the 1961-62, 1962-63, 1963-64, and 1966-67 seasons. In a career that began in 1956, Pulford gathered 643 points (281g-362a) in 1, 079 games played. Known as an outstanding penalty killer, Pulford ranks among the Maple Leafs' top 10 in goals, assists, points, and games played. Pulford registered four 20-or-more goal seasons while with the Leafs, and was an NHL All-Star on six occasions.

Pulford's accomplishments as a player did not go unrecognized. On this past June 21 at the Annual NHL Congress held in Buffalo, Pulford received the ultimate recognition for his efforts as an NHL player when he was elected into the Hockey Hall of Fame.

Following his career as a player, Pulford accepted a head coaching position with the Los Angeles Kings. They developed rapidly under his direction and enjoyed a 1974-75 season in which they posted a 42-17-21 record for 105 points. That year, Pulford was named NHL "Coach of the Year."

Following five successful seasons in Los Angeles, Pulford joined the Blackhawks as Head Coach and General Manager on July 6, 1977. He promptly led the Blackhawks to a first place finish in the Smythe Division which again gained him the honor of NHL "Coach of the Year, " this time as voted on by the *Hockey News*. Twice during his career, Pulford has assumed the coaching role in mid-season in order to revive a struggling Blackhawk team. Pulford won eight divison titles as General Manager and Coach and the team has made the playoffs in each of his 14 seasons with the Blackhawks. Pulford has posted a 336-305-130 record as an NHL Head Coach.

This record made a significant impression on Blackhawk President William Wirtz. In June of 1990, Wirtz rewarded Pulford by making him the club's Senior Vice-President. This move allows Pulford to have more input in the marketing and bussiness aspects of the team—an essential ingredient for all professional sports franchises in the 1990's.

Pulford is also credited with bringing more respect to hockey in the United States. As Head Coach of Team USA during the 1976 Canada Cup, Pulford developed a team that played much better than expected. Though they did not win a medal, for the first time many had to sit up and take notice of United States Hockey.

Both as player and with management, Bob Pulford has handled an extensive role in knocking out the National Hockey League's collective bargaining agreement. In 1967, Pulford was NHL's first Player Union President. He currently plays a key role with management, sitting on the advisory committee to league ownership.

A graduate of McMaster University, he and his wife Roslyn and their three children Rob, Lindsay, and Jennifer, reside in the northern suburbs.

Mike Keenan

GENERAL MANAGER & HEAD COACH

For Mike Keenan, winning is a tough habit to break. Everywhere he has gone, success has followed him and his teams. Last year was no different as Keenan and the Blackhawks finished the 1990-91 regular season with 106 points and captured the Presidents' Trophy as the team with best record in the National Hockey League. This was the first Presidents' Trophy in Blackhawk history, but the second time in Keenan's career as a Head Coach that his team had finished with the most points in points in the regular season. His 1984-85 Philadelphia Flyers also finished atop the NHL while recording 113 points and 53 wins. Over the past three seasons, the Keenan-led Blackhawks are the league's most improved team, going from 66 points in 1988-89 to 106 in 1990-91.

Though Keenan has yet to win it all, his teams have consistently challenged for Lord Stanley's Chalice. In both 1984-85 and 1986-87, Keenan brought the Flyers a Patrick Divsion Title, a Wales Conference Championship, and a berth in Stanley Cup Finals. In 1986-87, the Flyers took the Edmonton Oilers to a seventh and deciding game, only to lose 3-1.

Overall, Keenan's coaching ledger stands at 307-199-54. This year, he became the fourth fastest coach in NHL history to win 300 games when the Blackhawks defeated the New York Rangers 5-2 on March 10th. Keenan is the third coach in NHL history to accomplish the feat in his seventh season of coaching.

Mike Keenan spent four years as coach of the Philadelphia Flyers (1984-85 to 1987-88) and notched a 190-102-28 record. During that time, he became the first coach in National Hockey League history to win 40 or more games in each of his first three years of coaching. His teams won a Patrick Division Title in three of the four years he spent in Philadelphia (1984-85, 1985-86, and 1986-87).

The same kind of success has followed Keenan to Chicago. Since signing a contract to become Head Coach of the Blackhawks on June 9, 1988, Keenan has attained a 117-97-26 record along with Norris Division Titles during 1989-90 and 1990-91 seasons. His 1988-89 and 1989-90 clubs fought hard before losing in the Campbell Conference Finals. The 100 point season the Blackhawks had this year marks the fourth time a Keenan-coached team has surpassed the 100 point mark.

Keenan has earned his share of personal awards as well. Following his team's league leading regular season record, Keenan was chosen by Hockey News readers as the NHL Coach of the Year. In 1985 Keenan also was awarded the Jack Adams Trophy as NHL "Coach of the Year." Keenan was also a nominee for the Adams Trophy last season, his first year as

both General Manager and Head Coach.

Keenan has also been asked to coach Team Canada for the second time in as many Canada Cup series. In 1987, Team Canada defeated the Soviet Union 2-1 in a most dramatic three game series. This year, Keenan has been asked to uphold both the Head Coach and General Manager duties for Team Canada.

The honor of coaching the NHL All-Star Team has been bestowed upon Keenan two times. In 1986, his Wales Conference team defeated the Campbell Conference 4-3 at the Hartford Civic Center. Again in 1988, his Wales Conference team won 6-5, this time at the St. Louis Arena.

With two playoff wins over Minnesota last season, Keenan surpassed Detroit's Jack Adams and moved into eighth on the All-Time Playoff Wins list with 53.

A former hockey captain at Saint Lawrence University, Keenan began his coaching career at the Junior B level. He won back-to-back championships in the Metro Toronto League. After leading the OHL's Peterborough Petes to Memorial Cup Finals in 1980, he joined the AHL's Rochester Americans, carrying that team to a 1982-83 Calder Cup Title. Keenan moved again and won the 1983-84 CIAU Candian College Championship with the University of Toronto.

Keenan graduated from St. Lawrence University with a Bachelor of Science in Physical Education. He later received a Master's in Education at the University of Toronto Graduate school.

A resident of the North Surburbs, Keenan was born on October 21, 1949. He and his wife Rita have one daughter, Gayla, age 15.

Jack Davison

ASSISTANT GENERAL MANAGER

In his 32 years as a member of the Chicago Blackhawk organization, Jack Davison's knowledge of hockey has been invaluable in bringing excellent, young talent to Chicago. Playing or coaching at every level of hockey has made Jack one of the most respected judges of talent among NHL executives.

Davison is heavily involved in the player personnel end of the organization. In conjunction with Bob Murray, Davison coordinates the Blackhawks scouting efforts and directs the the NHL draft each summer. He works closely with the Blackhawk scouting department to make sure that every level of scouting is adhered to and every possible prospect is evalulated. In fact, sometimes Jack has been known to see as many as three games on a given day. All of the work and preparation has shown dividends as the Blackhawks are among the league leaders in developing draft choices and bringing them into the NHL. Among recent successful first round draft choices, Dave Manson (1985 draft) made the NHL All-Star team, Jimmy Waite (1987 draft) was named the Minor Pro Player of the Year, and Jeremy Roenick (1989 draft) was named "Rookie of Year" by the Sporting News.

Jack makes his headquarters in Toronto while also spending a fair amount of time in Chicago during the season. This allows him to see the many prospects playing junior hockey while still remaining an integral part of what goes on with the parent club in Chicago.

Perhaps one of the reasons that Davison has such a good eye for talent is that he was an excellent athlete in his playing days. Jack had a baseball tryout in the Braves' organization as a first baseman and is an excellent golfer having played some on the pro circuit.

In looking down all of the NHL rosters, Pulford, Davison, and the entire Blackhawks scouting staff can hold their heads high for they are a team who has built and developed the majority of their players through the excellent drafting of young talent.

Jack and his wife Isobel reside in Toronto. They have three children: Kathy, Susan and Kerry.

Bob Murray

DIRECTOR OF PLAYER PERSONNEL

On July 23, 1991, Bob Murray was named Director of Player Personnel for the Chicago Blackhawks. This comes as no suprise, for the former Blackhawk defenseman has always impressed others as a man thoroughly prepared and hard working. Along with GM/Head Coach Mike Keenan, Assistant GM Jack Davison, and Senior Vice President Bob Pulford, Murray will evaluate all levels of player ability as it effects movement within the organization, trades, and the entry draft. Murray will also scout individual amateur players and coordinate Blackhawk scouting in North America and Europe. Last season, Murray served as Pro Scout for the club.

As a player, Murray showed tremendous skill, endurance, and determination throughout his entire career. He played his entire 1008 career games with the Blackhawks and currently ranks first among defenseman on the Blackhawk all-time games played list. Bob Murray also recorded 382 assists (8th overall) and 514 points (11th overall) throughout his 15 year career. Two times, Murray was chosen to play in the mid-season NHL All-Star Game. In 1981 Murray represented the Blackhawks at the Los Angeles Forum and in 1983 he did the same at Nassau Coliseum.

Mike Keenan speaks highly of the multi-talented Murray. Says Keenan, "Bob Murray did an outstanding job for us both as a player and a pro scout. We are very impressed with his organizational and management skills. Our organization's depth has developed recently and Bob deserves to be recognized for his contributions."

Bob and his wife Patty have three children, Kevin, Amanda, and Andrew. He is 37 years old and resides in the Western suburbs.

Darryl Sutter

ASSOCIATE COACH

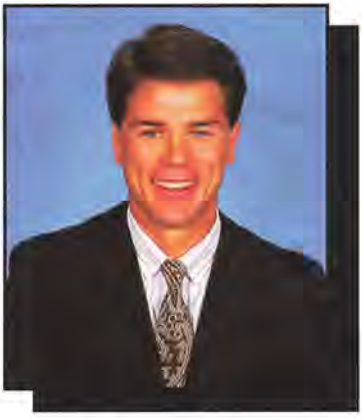
One of the more remarkable brothers in a remarkable family, Darryl Sutter returns as associate coach of the Chicago Blackhawks for a second year.

The intensity and drive which mark the Sutter family are easily found in Darryl. He was not a high draft pick by the Blackhawks in 1978 (11th round, 179th overall), but he fought the odds and made the team. After playing one season in Japan, Darryl saw his first NHL action in the 1979-80 season. In 1980-81, his first full NHL season, he scored 40 goals in 76 games.

Becoming team captain in 1982-83, he led by example, scoring 161 goals and 118 assists for 279 points (28th on the All-Time Blackhawk list) in 406 games. In 1987, Darryl was forced to retire from active play due to a series of injuries that hindered his performance. Darryl ranks 8th among All-Time Blackhawk playoff goal scorers with 24. He holds two Blackhawk playoff records: most goals in one playoff year with 12 (1984-85) and most overtime goals in one playoff series with 2 (against Minnesota 1984-85).

In 1987-88 Darryl Sutter became the Assistant Coach of the Blackhawks. The following year he became Head Coach of the Saginaw Hawks leading them to a second place finish in the Eastern Division of the IHL with 102 points. In 1989-90 the Blackhawks moved their minor league operation to Indianapolis. With Darryl as Head Coach, the Ice finished first in its division, second over-all in the IHL with 114 points. The team went on to win the Turner Cup and Darryl Sutter won the Commmissioner's Trophy as Coach of the Year. In two years as head coach he built a regular season record of 99-47-18 and a playoff record of 16-4.

Darryl, his wife Wanda, and their two children, Jessica and Brett, reside in western suburbs. They return to Viking, Alberta to join the Sutter clan whenever time permits.



Rich Preston

ASSISTANT COACH

As a player, Rich Preston gained the respect of his teammates by coming to the rink prepared, helping younger players cope with the grind of an NHL season, and playing tough, intelligent hockey. These assets as a player certainly made an impression on Blackhawk GM/Head Coach Mike Keenan. On July 24, 1991 Keenan named Preston Assistant Coach of the Chicago Blackhawks.

Preston, a former Blackhawk right wing, played professional hockey in both the National Hockey League and the World Hockey Association. He broke in professionally with the Houston Aeros of the World Hockey Association in 1974. After four years with the Aeros, Preston joined the WHA's Winnipeg Jets for one season. The Blackhawks claimed Preston from Winnipeg in the Expansion draft in June of 1979. Preston then spent five seasons with the Blackhawks and played on the famed R.P.M line with Terry Ruskowski and Grant Mulvey. Known as an outstanding penalty killer, Preston was traded to the New Jersey Devils with Don Dietrich for Bob MacMillan and a draft pick. After two years with the Devils, Preston again signed with the Blackhawks as a free agent for the 1986-87 season, his last in professional hockey.

The 39 year old Preston is excited to be back in professional hockey again. Says Preston, "I have definitely missed being part of the National Hockey League the last few years. This Blackhawk team is solid. If we continue to work hard, some very exciting things are on the horizon for Chicago.

Preston, who lives in Chicago, has maintained ties to the Blackhawks by being a member of the Chicago Blackhawk Alumni Association. Rich and wife Laura have three children; Troy, Lucas, and Thomas.

Dave McDowall

ASSISTANT COACH

Dave McDowall comes to the Blackhawks after spending one season as Head Coach of the Blackhawks' top affiliate Indianapolis Ice. He led the Ice to a 48-29-5 record for 101 points in International Hockey League play. Prior to coming to Indianapolis, McDowall served six years as head hockey coach and Director of Athletics at the University of Lethbridge in Alberta, Canada. In 1982, McDowall was Head Coach of the Brandon Wheat Kings. The year prior, McDowall was Head Coach of the Winnipeg Jets' top affiliate in Tulsa.

As player, McDowall was team captain and first team all-star at the University of Toronto. McDowall played junior hockey for St. Catherines (formerly a Blackhawk affiliate) and against Blackhawk Associate Coach Darryl Sutter while in Japan in 1979.

Noted for his teaching ability, McDowall was the Technical Director of the Ontario Hockey Development Committee from 1981 through 1984.

In addition to his coaching duties, McDowall will be an advance scout analyzing and interpreting systems of play that the opposition will employ.

Vladislav Tretiak

GOALTENDING CONSULTANT

Vladislav Tretiak became the goaltender coach and consultant for the Chicago Blackhawks prior to the 1990-91 hockey season. When questioned about a possible problem in communication, since he is not fluent in English, Tretiak responded: "Goaltenders speak a universal language." If judged by the Hawks' improved goals-against average last year, his advice, suggestions, and shared experiences were well received.

Tretiak first came to the attention of the American public while goaltending for the Soviet Union National Team in the 1972 Winter Olympics during their Gold Medal winning performance. He and the Soviet team won the Gold Medal again in 1976 and in 1984. They took the silver medal in 1980.

Tretiak played on a record 13 Soviet League Championship teams as the goaltender for the Red Army. He possesses 10 World Championship Gold Medals. He was selected Soviet Player of the Year five times.

His first games against the National Hockey League occured in the September 1972 series between the Soviet Union and Team Canada. Four Canadian cities and an awed television audience were witness to Russian hockey for the time in this series. Tretiak was drafted by Montreal Canadiens in 1983 entry draft (138th overalll), but his release to Canada was vetoed by the Soviet Ice Hockey Federation at that time. He retired from active play in 1984. In 1987 he published a book, *Tretiak, The Legend.*

In recognition of his tremendous playing ability and his many contributions to the sport of hockey on an international level, Vladislav Tretiak was given the honor of being the first Soviet born player to be inducted into the Hockey Hall of Fame in 1989.

Vladislav Tretiak was born April 25, 1952 in Dmitrovo, a suburb of Moscow. He was 11 when he played his first hockey game, and at 17 he was appointed to the powerful Central Red Army team. He and his wife Tatriana have two children: Dmitri and Irina. Vladislav lives in Moscow and is still Lieutenant Colonel in the Soviet Army.

Dale Tallon and Pat Foley

The tandem of Pat Foley and Dale Tallon return to the broadcast booth this season to bring Blackhawk fans all the exciting hockey action on SportsChannel and WBBM - AM Newsradio 78.

Entering his 12th year at the microphone for the Chicago Blackhawks, Pat Foley has truly established himself on the hockey scene with a contagious enthusiasm that has become his trademark. Pat, 36, was born and raised in the northern suburbs where the family business, Foley Motor Sales of Wilmette, was founded over 50 years ago. Along with all young Chicago fans, Pat remembers listening to his alltime favorite announcer, Lloyd Pettit, who was the "voice" of the Blackhawks for many years. Foley gained broadcasting experience first, at Michigan State University with the baseball and hockey teams, and later hooked up with the Grand Rapid Owls of the International Hockey League. It was Hawks' V.P. Michael Wirtz who first heard Foley's Owls tapes and recommended Pat for the job with the Blackhawks. Foley has taken that opportunity and really created a name for himself in Chicago. Pat's pasttimes include golf & softball. He is single and makes his home in Glenview.

Dale Tallon begins his 10th year handling color analysis for the Chicago Blackhawks' broadcasts. Dale's keen insight and descriptive style is a true asset to the programs for both listeners and viewers alike. Part of that knowledge and ability comes from his personal experience of the game as a 10 year NHL veteran. Dale was the Vancouver Canuck's number one selection and the second player chosen overall in the 1970 draft and came to the Hawks in 1973 when Jerry Korab and Gary Smith were traded to Vancouver. After 5 years with Chicago, Tallon finished his playing career with Pittsburgh following the 1979-80 season. Dale's easy-going nature and wry sense of humor spill over into the broadcasts. His own enjoyment of the game and what he is doing is part of the chemistry between Tallon and Foley, as they have quickly become one of the most enjoyable pairs in the NHL. If time would permit it, Dale would commute from Southeast Florida to do the Hawks' broadcasts. The climate and the golf in that area are part of his lifeblood these days and he spends as much free time as possible enjoying both. Dale and his lovely wife, Meg, are the proud parents of two daughters; Lauren 4 and Kristen 2.

Chicago Stadium – "It Feels Like Hockey"

Among NHL arenas, the Chicago Stadium stands alone.

It stands alone, literally. The Blackhawks' home rink is buffered from a rough near-west side neighborhood by acres of parking lots. It stands alone in other ways, too. No other NHL arena rocks like the 62-year-old structure.

Chicago Stadium is, simply, the loudest arena in the NHL and possible in all of North America.

You can talk about the mystique of the Montreal Forum, the tradition of Maple Leaf Gardens, the glamour of Madison Square Garden, but nobody can steal the Stadium's thunder. Night after night, you feel the noise.

It's a place where a playoff frenzy can erupt at any given time, during any game, for any opponent during the regular season. Fans routinely start cheering during the national anthem. They build to a crescendo to launch the Blackhawks from the opening face-off. At any given moment in the Stadium, it is often louder than in other NHL arenas when the home team scores.

The voices get a boost from a Barton Organ which has pipes built into the structure's rafters. Supposedly, at a full volume, the organ will equal the sound of 25 brass bands. At full volume, the organ would also shatter every piece of glass in the building.

The very design of the Stadium traps and amplifies sound. Although over 17,000 people can crowd into the facility for a hockey game, the building dimensions are compact. None of the outer walls of the arena are more than 100 feet from the ice. Above the main floor seats are two steep balconies, so fans literally are stacked on top of each other.

The Stadium even feels like a great arena when it's empty. It is, admittedly, an antique. It opened on March 28, 1929 for a light-heavyweight boxing match. The Blackhawks, who started in the now destroyed Chicago Coliseum, played their first game in the building on December 15 that same year.

Vintage electric signs hand from the ceilings in the lobbies and point-out seating sections. Press boxes were added as an afterthought. Chicago has the only main press box which is suspended at the end of the rink. Occasionally, deflected pucks crash-in, assuring that most journalists will not sleep through a game.

Although the facility at 1800 West Madison Street is an antique, the Stadium is kept in mint condition. Modernized washrooms are clean, at least at the start of every game. The main lobby which rings the building is bright and dotted with new remodeled concession stands.

Seemingly, the Stadium has always been associated with the late Arthur M. Wirtz and his family. However, a key original investor in the building was James Norris, founder of the Detroit Red Wings. But the building didn't begin to prosper as an entertainment hub until 1934, when it was purchased by Wirtz. The building, along with the Blackhawks, remains in the control of his family, headed by NHL Chairman Bill Wirtz.

The Stadium may be the NHL's most electric arena, but it has hosted more than hockey games. Although banners commemorating the retirement of Stan Mikita's #21, Bobby Hull's #9, Glenn Hall's #1, and Tony Esposito's #35 hang from the rafters, the list of luminaries who have come through it rivals any facility in North America.

Staying on the ice, the Stadium was the home base for Sonja Henie and the Hollywood Ice Revue. Frank Sinatra, Bing Crosby, Bob Hope and Elvis Presley all performed there, as have national conventions of both the Republican and Democratic parties. The Stadium was also the site of the NFL's 1932 championship game. Played indoors because of weather on an 80-yard field, the Bears beat Portsmouth, 9-0. In addition to the Hawks, it is currently the home of the NBA Bulls.

The Stadium provides a fine atmosphere for its current basketball tenant. But for its hockey tenant and hockey fans, the Chicago Stadium provides a one-of-a-kind atmosphere...one you can feel.

SCHEDULE:

Each of the 22 teams will play an 80-game schedule. Teams in the Adams and Norris Divisions will play eight games each against division rivals (four at home and four away). Each club's schedule against non-divisional clubs consists of three games versus 14 clubs (the extra home game alternating each year) and two games against three other clubs (one home and one away).

Teams in the Patrick and Smythe Divisions will play their divisional opponents seven times, with the extra home game alternating from year to year. Each club's schedule against non-divisional teams consists of three games versus 13 clubs (the extra home game alternating each year) and two games against three other clubs (one home and one away).

STANLEY CUP PLAYOFFS:

At the conclusion of the regular schedule, the top four finishers in each of the four divisions will qualify for the Stanley Cup Playoffs.

The division semi-finals will have the first place club oppose the fourth place club and the second versus third in a best-of-seven series. The winners of each series will play a best-of-seven division final series with the team gaining higher standing during the regular season holding home-ice advantage.

The four divisional winners will meet in a best-of-seven Conference Championship Series. The Smythe Division winner will face the Norris Division winner while the Patrick Division winner will meet the Adams Division winner. The Conference winners will meet in a best-of-seven final series for the Stanley Cup.

Home-ice advantage for the Conference Championships and the Stanley Cup Finals will be determined by the team that had the most points during regular season play.

Media Information

PRESS BOX: The main press box is located on the west end of the Stadium. This box is reserved for game personnel, writers, and various non play-by-play radio personnel. There is also an auxiliary press box which is located above the second balcony on the south side of the Stadium.

SEASON CREDENTIALS: Those media receiving season credentials will be contacted in advance of training camp by mail. As we have done for the past six seasons, those media members will be asked to stop in the Blackhawk office where a credential picture, similar to your driver's license, will be taken. Season credentials will only be issued to those members of the media who cover the Blackahwks on a regular basis.

INDIVIDUAL GAME CREDENTIALS: Individual game passes will be issued, depending upon availability, to those accredited members of the media by contacting Jim De Maria, Tom Finks, or Barbara Davidson a minimum of 48 hours in advance. Due to the lack of space, credentials will be issued on a first come first serve basis.

MEDIA LOUNGE: The media lounge is located in the basement of the Stadium between the visiting and Blackhawk dressing rooms. The press meal will be served in this area prior to every Blackhawk home game.

PRESS NOTES: A complete set of press notes will be provided to all members of the media upon their arrival at the press lounge. Notes will also be provided in the main and auxiliary press boxes.

PRESS GATE: Gate 3 1/2, the press entrance, is located on the west side of the Stadium on Wolcott Street. Game night media will be able to pick up their credentials at the press gate on game nights.

PHOTOGRAPHERS: Photographers must shoot from designated areas assigned by the Blackhawk team photographer. Photo credentials may be obtained by calling the Blackhawk Public Relations Department at least 48 hours in advance. Photographers will meet with the Blackhawk team photographer approximately one hour before the game to arrange for their space assignments.

LOCKER ROOMS: The Chicago Blackhawk locker room is located at the east end of the Stadium while the visiting locker room is located at the west end of the Stadium on the basement level.

PRACTICES: Most Blackhawk practices take place at Chicago Stadium. However, there are times when the team will practice at the University of Illinois practice facility. Please contact the Blackhawk Public Relations Department to confirm all practice times and locations.

PLAYER/COACHES AVAILABILITY: The media will have access to the Chicago Blackhawk locker room prior to and after all practices and games unless otherwise specified by the public relations department. Prior to practices, the media will be asked to leave when players begin their stretching exercises in preparation for practice. The room will re-open following the practice session. The same rules will apply on game day skates. On game days/nights, the locker room will be open up until two hours before the game, i.e. 5:30 p.m. on game nights and 11:30 a.m. on game days.

NOTE: Television crews are asked to send a reporter inside the locker room before practices and games and bring the player outside the locker room area to conduct their interviews so as not to disturb the normal game preparation. Crews **will** be allowed to enter the locker room after all practices and games. Also, all requests for live shots and between period guests on game nights must be given to the public relations department at the morning skate or they will not be accomodated.

AREAS OFF-LIMITS: Media will not be permitted in the trainers room, the weight room, or the coaches office.

PUBLIC RELATIONS NOTE: The Chicago Blackhawks appreciate the coverage that you give us. With that in mind, we urge you to contact our public relations department if there is anything we can do to be of further assistance.
